President's Report for 2012 - 2013**

Dear Fellow Members,

On behalf of the Executive Committee, I take pleasure in reporting the business activities of our Association (“HKWPEA”) for the past 12 months.

In this report, I would like to extend my sincere appreciation to all Members, Working Committees and their Chairpersons for their generous & invaluable contribution in achieving so many fruitful and meaningful projects and activities in the past year. Our past year business indeed has been so eventful that we together have concluded or been working over 27-28 activities. They are impressive array of activities focusing on the economic & social wellbeing of Hong Kong, on promoting HKWPEA, and more importantly on enhancing networking among our members.

All business of HKWPEA is organized by our 13 Working Committees. Through the theme of the Butterfly Lovers, each of the ten performing and visual arts is presented in its own unique glory, offering not only a veritable sensory feast for the audience but also inviting them to expand their mental horizon to explore the rich domain in Chinese arts and culture.

While HKWPEA Charitable Foundation is the host of the musical performance, the Chinese Traditional Theatre Programme Office of The Hong Kong Academy for Performing Arts (HKAPA) (香港演藝學院中國戲曲課程辦公室) would take charge of the production. The objective of this project is to help those underprivileged who are staying in Hong Kong legitimately but are not eligible to apply for Comprehensive Social Security Assistance (CSSA) and/or Public Housing, thereby

making a longer term positive change for their future.

As you may already be aware, the society is getting increasingly alert about the N-nothings Class; be it the challenges they face day to day, or the long term effect there is to their next generations, hence, to the society. The N-No project is an ongoing 2-year-program with two key areas of focus: Financial Support and Mentoring Program. Firstly,

HKWPEA altogether in two years would donate \$350,000 to Hong Kong Sheng Kung Hui Welfare Council in helping 10 targeted N-nothing families in the Kowloon City district. Secondly, these 10 targeted families will be supported by over 20 members of HKWPEA. Social workers of HK Sheng Kung Hui, Mentors and Mentees will work together on the individual tailored development plan for these 10 families aiming at developing job skills, improving competence of family and eventually achieving self reliance. Mentors also play an important role in broadening their social support network. In return, the families would take part in community volunteer service to help those in need, creating a positive cycle mentally, physically and spiritually. In the meantime, we are appealing for supply of physical resources from our members e.g. used books, used toys, free tuition courses etc for these mentees. There was a Kick Off Ceremony held on 10 March 2013. Training sessions for mentors was completed in April and May followed by family visits periodically by pairs of mentors to each family in the coming two years.

#### **Appreciation**

I would take this opportunity to express my heart-felt appreciation to all Executive Committee Members, Chairpersons of Working Committees for their strong commitment and dedication. Without their timeless devotion and effort, we would not have successfully achieved in average of over 2 activities in a month for the past year.

I need to pay special tribute to all Members. Without your unfailing and enthusiastic support and participation, we would not be able to develop a quality hub for pursuing our common goals which are for the benefits of our society and for our Association.

Special thanks are due to the Secretariat for their professional support and dedication to the work of HKWPEA.

I sincerely wish every success to the future business of the Association!
